

Bravo!

Early Childhood Curriculum®

A sneak peak at how learning looks at Doodle Bugs!

If our curriculum theme is Dr. Seuss, you will see:

.....
"The more that you read, the more things you will know. The more that you learn, the more places you'll go."
.....

— Dr. Seuss

Housekeeping
'Playing house' is the perfect way to extend the rhyming story, In a People House. Dramatic play complements curriculum themes to promote language development and social skills.

Painting
In the science center, natural curiosity inspires experimentation and exploration. Children learn best through hands-on investigation and observation!

Story Time
Reading and being read to is an important part of every doodle day. Silly Seuss stories are one of our favorite ways to introduce rhythm, rhyme and lots of new vocabulary!

Outdoor Play
Daily indoor & outdoor play makes fitness fun while enhancing coordination, balance and other important physical skills.

Footprints
Wet foot, dry foot. Low foot, high foot!" (The Foot Book) Tactile learning experiences reinforce curriculum themes and pique the interest of young learners.

Shape Sorter
"Some are red and some are blue. Some are old and some are new." (One Fish, Two Fish, Red Fish, Blue Fish) Manipulatives like blocks and puzzles build the fine motor skills that are later used for writing.
